

Kennedy Calls Meeting With Foe Beneficial

By MARVIN L. ARROWSMITH

KEY BISCAYNE, Fla. (AP) — President-elect John F. Kennedy today had what he called a very beneficial 63-minute conference with Vice President Richard M. Nixon, the man he defeated for the presidency.

At a news conference after the meeting, Kennedy said in response to question that he had not offered to Nixon a post in the new Democratic administration.

There was no discussion of that, the president-elect added.

Kennedy flew to Nixon's vacation retreat here a few miles south of Miami, from his own rest spot at Palm Beach, Fla.

The president-elect got a warm welcome from thousands who cheered him in this state which gave him 10 electoral votes to Nixon.

At Nixon's sun-drenched Villa No. 60 at Key Biscayne Hotel, Kennedy and Nixon conferred on the sun porch of the vice president's vacation headquarters.

When the dramatic conference ended the two men posed for photographers outside the villa, then walked about a block to a press room.

There Nixon shook hands with Kennedy and returned to his villa.

At the Kennedy news conference, Kennedy said he expects to meet again with Nixon in about a month, sometime in December.

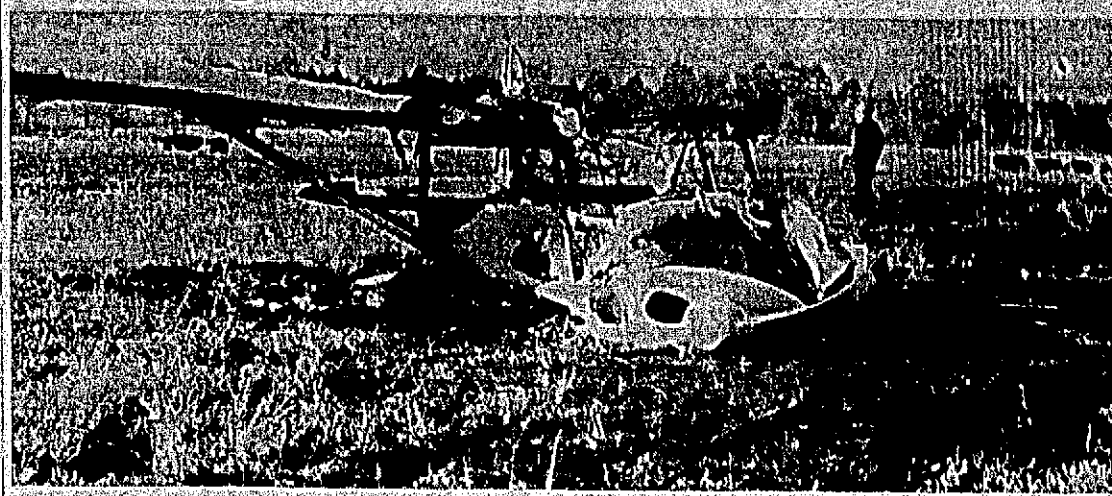

He said, too, he plans to confer with President Eisenhower before the inauguration but there is no definite date for that.

Kennedy repeatedly said that Nixon was "very cooperative" or "extremely cooperative," but he gave no indication at all that there might be any place in the administration for Nixon.

He didn't answer directly, either.

Burning Plane Lands at Nashville

A BURNING PLANE MADE AN EMERGENCY landing in a pasture at Nashville late Friday and the pilot, Billy Murrell Dorsey, 34, Carleton Lake, Iowa, saved his wife and two daughters but was critically burned. Mr. Dorsey and his family were enroute to Hope to visit his wife's parents, Mr. and Mrs. Curtis Urey.

Leaders in Congo in Agreement

LEOPOLDVILLE, the Congo

(AP) — President Cleophas Kamitatu of Leopoldville Province today announced a "complete agreement" with his political

enemy, Col. Joseph Mobutu, for maintaining order in the capital.

It was a major political setback for ex-Premier Patrice Lumumba, entrenched in his villa in power-

less seclusion behind a United Nations guard.

Kamitatu has hitherto been bitterly opposed to Mobutu's pro-Western military regime and has persistently maneuvered his 2,000-strong provincial police force in Lumumba's favor.

Kamitatu said he agreed to suspend publication of a semi-weekly newspaper "Solidarité Africaine," which launched violent attacks in recent issues against Mobutu and Congo President Joseph Kasavubu.

Mobutu was not immediately reachable for comment on the agreement. But Kamitatu's announcement was an important victory for the army leader in the bitter struggle for political power in the capital.

BEARDEN, Ark. (AP) — Robert Autry, 89, of Bearden, was killed today when he was struck by a Cotton Belt freight train at a crossing here. Deputy Coroner Jack Barger said.

Sees Trouble Ahead on Stock Prices

WASHINGTON (AP) — The Agriculture Department predicted today the incoming Democratic administration may run into live stock price and marketing problems next year.

The forecast was made in a 1961 outlook report prepared for farm economists and state extension officials attending an outlook conference sponsored this week by the department.

The report forecast little change in net farm income in 1961 from the 1960 level which is running at the annual rate of \$11.4 billion, compared with \$11.3 for the full 1959 year.

During the recent campaign, President-elect John F. Kennedy advanced a new farm plan designed to increase farmers' earnings. The report made no reference to this plan. The new administration will hardly have time to make many changes in farm programs for the 1961 year.

The general stability of farm prices, farm cost rates, and farm incomes in 1959 and 1960, is expected to continue in 1961, the department said.

But trouble for the new administration was forecast in these words:

"In 1961, the prospective increase in marketings of cattle, and sustained or larger hog marketings later in the year, could lead to further decline in cattle prices and possibly a greater than seasonal reduction in prices of hogs in the fall months."

Court Rules in Favor of Hotel Sellers

LITTLE ROCK (AP) — The Arkansas State Supreme Court today held that purchasers of a Conway hotel are entitled to a cancellation of the sales contract on grounds they did not get a marketable title from the sellers.

A brick wall of the building protrudes on adjoining property, some of which, the court said, is owned by the federal government.

The Bachelor Hotel was sold in 1959 to Mr. and Mrs. L. L. Carlick of Colorado on an agreed price of \$85,000, of which \$8,500 was paid down.

The Colorado residents later abandoned the hotel without paying the full price.

Sellers, W. Dean Gorman and others took the matter to Faulkner Chancery Court in an attempt to have the contract enforced.

A cross suit was filed by the Carlicks seeking cancellation of the contract and a refund of their money.

The lower court ruled in favor of the sellers and sustained a demurrer to the effect that the Carlicks had not made a case.

However, the Supreme Court today overruled the lower court's opinion stating: "A purchaser, until he accepts a deed to the land, is entitled to recession upon a showing that the vendors' title is marketable. Here it appears the Carlicks neither accepted a deed nor approved the deposit of a deed in escrow."

The court held the purchasers are entitled to a refund of their down payment with interest, but refused recovery for building improvements as the Carlicks failed to show to what extent the asserted improvements enhanced the property's value.

Burglar Gets \$26 at Machine Shop

City Police report a break-in during the weekend at Arkansas Machine and Specialty Co. in which \$26 was taken from a cash register in the office.

Officers Clark and Willis said the burglar broke down the back door and knocked out the glass of the office door.

City Police also reported a tire and wheel was taken from Maxine Johnson's car over the weekend. The car was at Hair and Lingo's lot.

Arkansas Youth Saves 2 Sisters

LONDON (AP) — The son of a U. S. Air Force captain from Arkansas ran across blazing fireboards in his bare feet and saved two younger sisters from a fire-swept house.

His mother, Mrs. Joy Voss, 39, and his brother Stephen, 9, suffered burns in the flames that raced through the family home in suburban Ealing Sunday morning.

Davis' father, Capt. Julian Mark Voss from Hector, Ark., was on duty at a nearby air base when the fire broke out. His cause was not known.

The crackle of flames aroused David, 15. He heard screaming from the bedroom occupied by his sisters Judith, 8, and Christie, 3.

Ignoring burns to his bare feet, David crashed into the room and lowered the girls out of the window to a garage roof. Then he tried to reach his mother and brother, but the flames beat him back and he joined his sisters on the garage roof.

Firemen, called by neighbors, rescued English-born Mrs. Voss and Stephen. The boy had only slight injuries, but Mrs. Voss was detained in a hospital with severe burns on her feet and legs.

David was treated for his burned feet.

He told a reporter: "It was nothing. I wish I could have done more."

TV Coverage of Eichmann Trial

NEW YORK (AP) — An agreement has been reached between the Israeli government and an American firm for exclusive television and film coverage of the trial of Adolf Eichmann in Jerusalem for the murder of six million Jews.

Frank M. Smith, president of Capital Cities Broadcasting Corp., said Sunday his company will make all recordings and films taken during the trial available to any broadcaster or film company throughout the world.

Proceeds — after expenses — will go to a charity organization designated by the Israeli government.

L. R. Attorney Kills Intruder in His Home

LITTLE ROCK (AP) — Little Rock attorney Alison Jennings today shot and killed a man he said broke into his home.

Jennings said the intruder, a former State Hospital patient, battled him and his wife, even after being shot, before he was killed.

Jennings told Deputy Sheriff Walter Rowe the man broke the kitchen window and climbed in, brandishing a sickle.

The dead man was identified by Rowe as Lawrence Parks, 37, of near Perryville.

Jennings said he shot the intruder twice with a .22 caliber rifle, but that the man lunged at him and they grappled in the kitchen.

He broke the rifle stick over the man's head, then Mrs. Jennings hit him with a chair.

The intruder swung the sickle at Jennings, but missed, and Jennings killed him with several shots from a .45 caliber pistol.

The attorney suffered a gash on his forehead, but was not seriously injured.

Mrs. Jennings was not hurt.

Rowe said Parks was being sought for a break-in in Perry County Saturday night in which a house was ransacked and windows were broken.

Rowe said Parks' record showed he was a patient at the State Hospital in 1953.

Jennings' two sons, ages 13 and 11, were in another part of the house at the time of the fight.

Jennings said he was in the kitchen at about 6:55 a.m., when the man broke the window and tore off the screen with the sharp sickle.

Gold Capsule May Come Home Today

VANDENBERG AIR FORCE BASE, Calif. (AP) — The gold-plated capsule of Discoverer XVII, given an extra day in space for good behavior—should come flying home today when a scientist presses a button.

The satellite, forerunner of a legion of military spy spies, is the first of the Discoverer series to eject its capsule at a ground signal.

All the others have ejected when a timing device within the space package clicked shut on the satellite's 17th pass around the earth.

When Discoverer XVII neared its 14th trip, the Air Force decided Sunday that it was behaving so well it could stay up a little longer.

Scheduled ejection time was delayed to the 31st pass, about 5 p.m. EST today.

Plans called for the capsule to pop from the 25-foot-long Agena B second-stage rocket as it streaked over the North Pole, headed South. Forward-firing rockets were to slow it enough to permit a parachute to lower it over Hawaiian waters.

Trapeze-trailing Flying Bucears hoped to snag it before it hit the water—a feat accomplished once in the long Discoverer series. One other capsule was fished from the sea by a skindiver.

The latest Discoverer was launched at this big seaside missile facility at 12:42 a.m. Saturday. The Air Force said the decision to leave it in orbit 18 extra trips was made because "communications with the satellite have been good" and "the vehicle is performing satisfactorily."

Against Sen. Fulbright in the Cabinet

SCHANTON, Pa. (AP) — Rep. Emanuel Celler, D-N.Y., said Sunday night that Sen. J. William Fulbright, D-Ark., should not be considered as a possible secretary of state.

Celler told a news conference before an Israeli bond dinner that Fulbright's appointment would be improper because of what he described as the senator's stand on the Suez Canal blockade and civil rights.

Fulbright, chairman of the Senate Foreign Relations Committee, is said to be one of the leading candidates for Secretary of state in John F. Kennedy's cabinet.

The president-elect has said he will not announce cabinet posts until after Thanksgiving.

Celler said that Fulbright's record shows he is opposed to forcing the United Arab Republic's president, Gamal Nassar, to open the Suez Canal to Israeli shipping.

Traffic accidents killed 15 persons during the week ended at midnight Sunday. Four slayings and two deaths in fires hoisted to 21 the number of persons to die violently during the week.

Two women were killed Saturday in the only double-fatality automobile accident. Mrs. Dugan Mae Trammel, 39, of Memphis and her mother-in-law, Mrs. J.A. Trammel, 70, of Tyrone, were killed when their car collided head-on with a car driven by David T.G. King of St. Louis, Mo., near Hixie on Highway 63.

State Trooper Bill Ruse said the car, driven by the younger Mrs. Trammel, was passing a car driven by N.L. Sturch of Walnut Ridge who drove into a ditch to avoid the accident. King and his wife were injured but not seriously.

Willie Fouts, 64, died Saturday in a fire which destroyed his home near Elizabeth on the east shore of Lake Norfolk.

J.W. Conser, 19, of Marmaduke, was killed Saturday when the car he was driving collided with a farm tractor driven by Sammy Jenkins 17, of Marmaduke, near Marmaduke. Conser's brother, Dwight, 15, and Jenkins were injured.

Amos Ingram Jr., 32, a Negro was shot to death Saturday night in a point-blank gunfight in a Negro night club his father owns in El Dorado. Police said Robert Lee White, 29, also a Negro who was wounded in the exchange, would be arrested when he was released from a hospital.

Seventeen-year-old Ivan Gigger, a Negro, of Grady died Saturday night shortly after he was strangled in the heart. Police arrested another Negro they had been seeking on another stabbing charge. Officers said William Owers, 27, would be charged with murder. They said he had been sought for three months in connection with a non-fatal stabbing.

Heavy Damage in Auto Wreck

Saturday at Washington and Division Streets and auto driven by Lloyd Anderson and another driven by Mrs. J. A. Kelly collided with extensive damage to both vehicles.

Patricia Ann Kelly, 9, was slightly injured. Her condition was not serious and she was released after treatment.

City Officer Ward charged Anderson with failure to yield the right of way.

Mrs. J. W. Story, 78, Dies in Hope Hospital Sunday

Mrs. Stella Sarah Story, aged 78, a resident of Hope, died Sunday night in a local rest home. She was a member of the Mt. Nebo Baptist Church.

Funeral arrangements will be announced by Oakcrest Funeral Service.

No Violence as 4 Girls Enter the First Grade

NEW ORLEANS, La. (AP) — Four Negro girls, trudging through yelling spectators, integrated two New Orleans elementary schools today despite state resistance.

There was no violence as the first-graders entered the schools, first of their race to attend white public schools in New Orleans since the days of the Reconstruction after the Civil War.

None of the estimated 75 state policemen sent to New Orleans by an angry legislature tried to stop the U.S. marshals and their charges as they entered the William Frantz and McDonogh No. 19 schools.

A state policeman serving as an assistant sergeant at arms of the legislature, tried to get the principal of McDonogh to close his school. He served him legislative orders. The principal refused to comply.

While the tense integration scenes unfolded in New Orleans, angry state representatives meeting in special session in Baton Rouge called for continued determined warfare against mixing the races in Louisiana schools. The call came amid yells of "White storm troopers!" and "Let's go to jail!"

While the uproarious legislative session met, Negroes marched down the state capital's main thoroughfare in Baton Rouge, and up the steps of the governor's Capitol.

There was no immediate explanation of their mass presence. Rep. Wellborn Jack, a leading segregation leader, questioned the unity of U.S. Dist. Judge J. Skelly Wright on the floor of the House. "I just can't see," said Jack, "that a man will do what he is doing. I don't see how he is entirely mentally right."

Fifty to 75 white pupils were taken from Frantz by parents. Another two score appeared to have left McDonogh.

An unofficial report said only 100 pupils of a normal enrollment of 600 are in Frantz school.

Outside, a woman yelled, "They ought to take Judge Wright out and hang him by his toes." She kept yelling it. Police have guarded Wright's home for several days.

At McDonogh, it was reported 200 pupils remained inside. Normal enrollment figures were not immediately available.

A caravan of state police officers massed on the fringes of the city, under orders from the Louisiana Legislature to enforce the closure of the city's public schools. At least 75 officers were reported in the group.

At Baton Rouge, Lt. Col. Thomas D. Burbank, assistant director of public safety, said there were 40 officers en route to New Orleans.

Burbank said they were under orders from the Louisiana Legislature to enforce closing the city's public schools.

The names of the girls—the first Negroes accepted for white schools here since the Reconstruction—and the schools were closely guarded secrets.

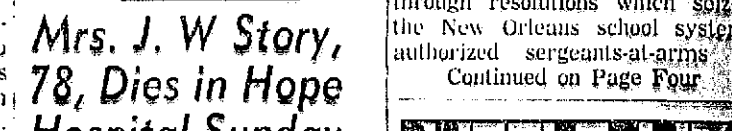

The legislature in Baton Rouge Sunday night completed action on three sweeping concurrent resolutions designed to block the integration but U. S. Dist. Judge J. Skelly Wright quickly enjoined the entire legislature from interfering with the eight-year-old battle.

The legislature, with leaders of Gov. Jimmie H. Davis in complete control, had rammed through resolutions which seized the New Orleans school system, authorized sergeants-at-arms at

Art Smuggling Ring Smashed by Agents

By HAL MCCLURE

NEW YORK (AP) — Treasury agents have smashed a nationwide art smuggling ring and seized more than \$400,000 worth of Chinese art objects brought illegally into this country from Communist China.

The investigation took agents half way around the world and to at least six cities in this country.

The most valuable item recovered was an 800-year-old scroll painting of magpies and butterflies attributed to the artist Emperor Hui Tsung of the Sung dynasty. It was valued at \$65,000.

Agents said other smuggled objects were found in the Cleveland Museum and the Freer Gallery, Washington, D. C.

Dealings with Red China are forbidden under the Trading with the Enemy Act.

The biggest haul was at the C.T. Loo Galleries, in midtown Manhattan, where paintings, screens and other objects, including the \$65,000 Hui Tsung scroll, were recovered. The objects were valued at \$282,000. The gallery is owned by Frank Caro, 56, a native of France but now a naturalized American.

He was described as one of two major dealers who had cooperated in the investigation.

Agents said the government got onto the smuggling operation some time ago when a Treasury agent learned that a millionaire Hong Kong dealer and collector, J. D. Chen, was involved in transactions that brought ancient art objects from Red China to this country.

Chen began selling the objects to American dealers, particularly the Loo Galleries and Charles L. Doue, a Berkeley, Calif., dealer. Yang was arrested on charges of smuggling and violating the Trading With the Enemy Act. No charges have been filed against Caro or Doue.

Church Group Asks End to Segregation

LITTLE ROCK (AP) — Equal economic opportunities for Negroes and an end to public school segregation are favored by the North Arkansas Annual Conference of the Christian Methodist Episcopal (Negro) Church.

The conference adopted a resolution Sunday urging full implementation of the U. S. Supreme Court's 1954 school desegregation decision.

It also endorsed Negro "sit-in" demonstrations protesting segregated eating facilities.

president, Mrs. Reece, called the meeting to order, and the group joined in repeating the creed and singing "On Top of Old Smoky."

"Thanksgiving" was the subject of the devotion brought by Mrs. Clifford East. She used Psalm 100 for the scripture. Mrs. Edward Evans offered the prayer.

Seven members answered the roll with "What I Am Most Thankful For." After the minutes were read and approved, the club voted to pay \$50 on the Shover Springs Fellowship Hall. Various reports were given.

Plans for a Christmas party were made. It will be December 9 in Fellowship Hall. Club members and their families are invited to the potluck supper and gift exchange.

Mrs. James Helm was welcomed as a new member. During the refreshment hour cake and coffee or cold drinks were served.

Births

Lt. and Mrs. Johnny Amos of Denver, Colo., announce the arrival of their first child on November 12. It was a 6 lb. 2 oz. daughter. The father is with the U. S. Army Chemical Corps. Grandparents are Mr. and Mrs. Chester Whitten of Bodcaw and Mr. and Mrs. O. W. Amos of Hope.

Mr. and Mrs. Clyde Hord of Marked Tree announce the arrival of their first child. It was a 6 lb. 9 oz. girl born on November 11. She has been named Lisa Lynn. The maternal grandparents are Mr. and Mrs. Ralph Smith.

Twice Divorced Man Hesitates to Reveal Past

By HELEN WORDEN ERSKINE

Dear Helen:

I am 23, have my own land, house, car and a very good job. I am planning to get married so here is my problem:

I have already been married twice and have five children. Both my wives divorced me. As I moved here recently, no one knows of my past. The girl I plan to marry is 25 and very beautiful. Should I tell her of my past failures in love? Should I tell her about my five children. They are in foster homes. —Horace

Dear Horace: Tell your fiancée at once about your two previous marriages and the five children. If you don't you'll be in for a third divorce. But I'm more concerned over your children than you. What are they doing in foster homes when you have a house, a car, and a good job?

Take your girl to see them. If she's worth her salt, she'll want to make a real home for them and you.

Dear Helen:

I am 24 and have been married almost five years. I have the most wonderful husband who never ceases to make a fuss over me. He is considerate, thoughtful and kind. But I must be just naturally jealous. I do everything I can to hide this despicable trait. It is ridiculous too, because never once has my husband ever given me cause. But when he casually admires another woman in the street or at a party or even in a movie, I feel so sick I can hardly speak. In his job he meets different women and I fear that one day he will meet someone more appealing than I am. If ever I show the slightest sign of jealousy, he is so sweet and keeps impressing on me how much he loves me and how he wouldn't even want to be with another woman; so why can't I save myself all this misery.

They say that jealousy is not a sign of love but I love my husband so much it hurts. I take great pains always to keep myself at my truest for him, cook his favorite meals, and to be as unpossessive as I possibly can. Please try and give me some advice as my only wish is to be the best wife in the world for my husband. —J.

Dear J: Your letter is a perfect definition of jealousy — insecurity, lack of belief in one's self, suspicion. Suppose there are other women more beautiful, more

won't wreck the house, they tell mother and I get bawled out. If I leave them alone, I get it for the house is a mess.

I have to work in the house, then can't go out without my younger sister. So I don't go. I haven't many friends and want to be more popular. I get A's and A-grades but I still get criticized. I don't sit but have to share my money with the other kids. This letter isn't sent and the spelling is bad because I had to write it walking home from school. Mother reads all my mail. I'll watch your column for the answer to this. —Unhappy

Dear Unhappy: When I hear of children being unhappy, I am unhappy. If you are old enough to play little mother to your brothers and sisters, you are old enough to stay up longer than baby brother. You should not be saddled with baby sister 24 hours a day, nor should your mail even be read by your parents. To open other people's mail, no matter what their age, is wrong.

However, in all fairness to your mother, she may be so harassed by her brood of five that she doesn't know whether she is going or coming. Give her the benefit of the doubt and try to help her all you can. Be resourceful. Build your own life — young though you are, join a church, school or sewing club.

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Write for "Step-children."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, with gently relieving, pain, actual reduction (shrinking) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyno®)—discovery of a world-famous research institution. This substance is now available in suppository or ointment form under the name "Preparation 710" at all drug counters.

an electric kitchen is more than just the Range...

it's dependable Flameless water heating, too

Tuffy's a born traveler, and now he's back in the kitchen because that's where Mommy is. But Mommy's kitchen is Electric—including that electric water heater—dependably safe in case Tuffy brushes against it and dependably full of hot water for his bath when the travels are over. Inside, there are gallons more—ready for every demand the family makes—for other baths, for their electric laundry or electric dishwashing.

So why not plan right now to extend the delights of your Electric kitchen by installing an electric water heater? It may be placed anywhere you like because there's no need for flues or venting. And the new Quick Recovery heaters are built for speed, with heating elements at top and bottom for plenty of hot water, extra fast. And to top it all, there's a special low rate . . . to make electric water heating as economical as it is dependable.

TRIAL BY SLANDER

By Travis Macrae
Copyright © 1964 by Travis Macrae Distributed By Newspaper Enterprise Assn.

THE STORY: Janet Hamilton, a young widow, fell in love with Dr. Jason Whiting, a college instructor. She had been taking courses to obtain a teaching certificate, then Jason confessed to her that he was married, but is going to obtain a divorce. He tells Antonio, his wife, who agrees to think it over during a visit with her parents.

CHAPTER IX

Jason taught two summer school classes; most of Janet's friends were away for the summer. They spent their free time together. There were idle days — a picnic with the boys, a visit to an amusement park where seeing Jason in a carefree mood was a new experience for Janet. He brought them a new puppy when Brownie, the English setter, was killed by a car and helped them name it Brownie Junior. He brought the boys, a huge bow-and-arrow set, which Janet hid away when he left. They talked little of Antonio, each was uneasy in his role. But there was no doubt in their minds when they learned that Jason's new job was definite. Janet would put her house on the market. Jason would go West in the Fall. They would be married in New York during the Christmas vacation.

Jason said, "Do you think we could go out some night? I'd like to have at least one real date with you before we married." Janet laughed. "I think that's reasonable, and I'd love to. I'll call Gerry to baby sit."

They set the day, and Janet called Gerry, who made arrangements to take the afternoon off from the store and to be at the house at 1:30.

When Gerry arrived, Janet learned with pleasure that she had enrolled for night courses in nursing.

"I really owe it to you," Gerry said. "Are you going into the city?" Gerry asked.

"Yes, I'm going to meet a friend in New York. I may be late tonight, if that's all right."

"Of course," Gerry answered. "Do you ever see that teacher of yours the one I met that night?"

Janet could not resist sharing some of her happiness. "As a matter of fact I'm meeting him in town."

"Oh, I'm glad, Mrs. Hamilton," attended the homecoming game, Saturday at Bishop College, Marshall, Texas.

Kennedy Calls

Continued from Page One

er, whether there was any discussion of Republican personalities who might possibly be included in the Cabinet or put in other high positions.

"We discussed a whole wide range of subjects," the president elect said.

"As for Nixon, he said the vice president still 'had responsibility as a leader of his party.'"

The two men, Kennedy said, touched on their presidential campaigns in a sort of a technical sense.

"I asked him how he took Ohio," the senator said with a chuckle.

No, he said, Nixon did not give him a direct answer. He must be keeping it a secret to use in 1964, the president elect said.

But he added later that there wasn't any discussion of whether he and the vice president might be opponents again in four years.

By MARVIN L. ARROWSMITH KEY BISCAYNE, Fla. (AP) — Winner John F. Kennedy and the presidential election loser, Vice President Richard M. Nixon, met today at a history-making conference which Kennedy hopes will heal the wounds of the campaign.

Victor and vanquished, both smiling broadly got together at 11:33 a.m. EST, at Nixon's vacation headquarters at this sun-baked island haven a few miles south of Miami.

Kennedy flew to the conference from his own rest spot at Palm Beach, Fla. He took the initiative in setting up today's historic conference.

Kennedy landed at the Miami airport and then drove here by auto.

Nixon, looking trim in a gray suit, was standing in front of the Key Biscayne Hotel when the young president-elect's motorcade pulled up. As Kennedy stepped from his car into a crowd of applauding well-wishers, he and the vice president shook hands heartily.

It was their first meeting since their fourth and final television radio debate late in the campaign. With spectators surging all around, Kennedy—in a dark gray suit with a white pin stripe—then walked alongside Nixon for about a block to the vice president's private villa, No. 69.

There, as he and Kennedy entered, the president-elect introduced his press secretary, Pierre Salinger, to Nixon.

Nixon congratulated Salinger on "a good job," during the campaign, and added: "It's a tough job, isn't it? How do you handle the photographers?"

He made that remark as cameramen crowded in from all sides for photographs of Kennedy and Nixon.

At that point, the two men disappeared inside the Nixon villa. They were alone there — without aides or even Secret Service agents.

Judgments Against Two Oil Firms

Continued from Page One

WASHINGTON (AP) — Civil antitrust consent judgments were entered today against two of the nation's largest petroleum companies in partial settlement of the seven-year international oil cartel case.

The decrees prohibit any future agreements or combinations by any firms to fix prices, divide markets or allocate production with any competitors in the world oil market.

Atty. Gen. William P. Rogers announced entry of the judgments before U.S. Dist. Judge John N. Cashin in New York.

Standard Oil Co. of New Jersey, one of the corporations accepting the consent decree, announced a major reorganization of its world oil operations.

The judgments stem from government charges that five major American oil companies, with the collaboration of two British-dominated companies, conspired to control a majority of the world's oil wells, refineries, tankers, pipelines and marketing facilities.

Joining with Standard of New Jersey in accepting the judgments was Gulf Oil Corp. The antitrust suit remains pending against Socony Mobil Oil Co., formerly Socony Vacuum Oil Co., The Texas Co., and Standard Oil Co. of California.

The settlement was partial in that only two of the five American companies involved in the charges accepted the consent decree. A consent decree is a legal device which avoids prosecution on the charge by the voluntary elimination of the practices objected to.

The decrees provide that Standard of New Jersey will terminate its joint ownership with Socony Mobil of Standard-Vacuum Oil Co., which produces and refines oil in the Far East and markets oil products in that area, South-east and South Asia, Australasia, and South and East Africa.

Standard-Vacuum properties will be equally divided between New Jersey Standard and Socony Mobil for two completely independent operations in the future.

Gulf Oil will be required to set aside 100,000 barrels of oil per day from that company's large crude production in the shielded of Kuwait for a period of 10 years, placing this output at the disposal of independent oil companies.

In another case the Supreme Court directed that two Warren men who purchased stock in the Arkansas Warehouse Corp. get their money back on ground that the stock sale violated the state securities act.

The purchasers were Robert W. Fullerton Jr., who bought \$5,000 of the stock, and Vernon Brooks, who bought \$2,500 worth.

Elizabeth Taylor in Hospital

By EDDY GILMORE

LONDON (AP) — Elizabeth Taylor's new illness cast doubts today over the future of the star and the picture she's in London to make.

"We are expecting something from the doctors before the end of the day," said a studio spokesman, "and until then it's reckless to speculate on what has sent her to the hospital again."

He was asked about the report that the 28-year-old actress may be suffering from meningitis. "This is a very roundabout rumor. We have been told that a couple of attendants on the ambulance that took her to the hospital said that from the way she was writhing and moaning, meningitis could be behind her new troubles," he replied.

The spokesman added that there was nothing official to back up that speculation. He said "a terrible headache causing almost unbearable pain" led her to the hospital.

The headache hit her about 9 o'clock Sunday night, the spokesman said, and it was "so awful that it alarmed everyone—including her doctors."

Two Charged in Night Club Slaying

Continued from Page One

CAIRO, Ill. (AP) — The case of two men charged with murdering a Cairo night club owner in March went into Circuit Court today as police attempted to solve the Wednesday slaying of Ben Finkel, a friend of the night club owner.

Two ex-convicts, George F. Garner, 37, who once served time in Arkansas, and Ted Crowley, 53, of Quincy, are accused in the slaying of Finkel last March 25 at Rubin's Latin Quarter night club.

A friend of Rubin, Ben Finkel, 47, was shot and killed Wednesday night by a gunman who was waiting at Finkel's home in Cairo.

Authorities have reported no leads in the slaying of Finkel, wealthy automobile dealer who had spoken out publicly against the Rubin slaying.

An April inquest into Rubin's slaying, witnesses testified Garner shot Rubin as the two men argued over the firing of a strip-tease dancer at Rubin's club.

The witnesses said the dancer was a friend of Garner.

Witnesses testified Crowley was with Garner and took part in the argument.

Garner, former associate of Cairo hoodlum Charles P. (Rocky) Rothchild, was a coin machine distributor. He had been paroled from an Arkansas prison in 1954 after serving two years for a \$1,500 robbery in Trumann, Ark.

Rothchild has been sentenced to a life term for a Georgia murder.

Before his arrest in the Rubin slaying, Garner had been fighting extradition to North Carolina on a charge of murdering a North Carolina stockbroker during a 1955 robbery.

15 Students Hurt in Bus-Truck Wreck
MEMPHIS (AP) — A loaded school bus and a pickup truck collided at a suburban intersection today, injuring an estimated 15 first and second grade students.

Reports from the scene were that the injured suffered cuts and bruises but that none of the children was believed seriously hurt.

They were taken in two ambulances and private cars to a Memphis hospital.

The crash occurred in south Shelby County as the bus, loaded with about 50 youngsters, was en route to Levi School.

"I was sitting in the back," said Wanda Sue Childs, 7, a second grader.

"All of a sudden the bus stopped. I was thrown down. We were all scared."

Highway Patrolman A. J. Sain said he heard the crash, saw the bus veer into a ditch, and the pickup truck burst into flame. "I ran up with my fire extinguisher and put the fire out," Sain said.

Porkers Lick SMU, Cotton Bowl Closer

By WICK TEMPLE

FAVETTEVILLE, Ark. (AP) — Saturday's 26-3 Southwest Conference victory over Southern Methodist served two important purposes for the bow-hungry Arkansas Razorbacks.

They got their quarterback duel in harmony for the first time this season, and they got a "down" game out of their systems without losing.

Now the Hogs should tear into Texas Tech Saturday with the same viciousness displayed in six straight mid-season games. And they should receive better than over-offensive leadership.

A triumph over Tech means the Cotton Bowl on New Year's Day and at least a share in the conference championship.

Quarterbacks George McKinney and Billy Moore, who have taken turns starring in six earlier victories, complemented each other perfectly in three touchdowns drives against the game but sadly outmanned Mustangs.

Coach Frank Broyles finally worked the two generals the way he had planned since sophomore Moore proved he was ready for full-time duties. McKinney formulated the drives with his alert options that force the opponent's defense to spread.

Then, when McKinney got the Porkers in scoring position, the unpredictable and hard-running Moore took over for the scoring thrust.

It worked that way on all three drives of 62, 58 and 68 yards. Sophomore halfback Jim Worthington got the fourth touchdown late in the fourth quarter on a sparkling 42-yard punt return.

McKinney provided long key plays for each touchdown drive. Moore got the short yardage where it's hardest to get, and scored one of the touchdowns on a one-yard plunge. The good part, of course, is that they'll both be back next year.

Halfback Lance Alworth scored on a two-yarder and fullback Curtis Cox went one yard for the other Arkansas touchdown.

Southern Methodist kept the Hogs in trouble in the first quarter. The Mustangs, winless now in eight games, came out fired up, won the toss, and elected to kick off with a rough 22-mile-per-hour wind.

The wind kept Arkansas from punting out and when Alworth's high boot at the nine was pushed back a yard to the eight by the wind, SMU set up a 34-yard field goal by Buddy Nichols that gave the Ponies a short-lived 3-0 lead.

Right after the backward punt, Arkansas end Hoover Evans caught Pony quarterback Roger Braugh for a 10-yard loss at the 18. That play prevented a touchdown that, if it had been scored, might have made SMU much harder to beat.

McKinney's three big plays in the TD drives were a 28-yard run to the SMU 20, a 22-yard pass to Jim Collier at the 22, and a 37-yard pass to Lance Alworth at the SMU 26.

The pass to Alworth was regarded by Arkansas coach Frank Broyles and SMU coach Bill Meek as the game's turning point. It gave the Hogs their second touchdown, padded a 6-3 lead, and insured Razorback fans that their heroes weren't going down in an ignominious upset to the conference's cellar dwellers.

Both Moore and McKinney gained 62 yards rushing. McKinney got 59 passing and Moore got 23.

It was Alworth's best day. He scored once, gained 31 yards rushing, 46 on pass catches, 37 on kickoff returns and 35 on punt returns.

Tech Takes Crown in State AIC

By THE ASSOCIATED PRESS

The Arkansas Intercollegiate Conference race is over, with Arkansas Tech on top, but there's one morsel left for state college football fans.

It's the Henderson State Tech game Saturday in Conway. Those two met at this time last year for the AIC championship and tied 7-7. This year they play for second place.

Both have lost once. They'll be out to cement the runnerup spot to Tech and to settle last year's deadlock.

Tech beat Ouachita 17-0 last week for its ninth straight victory and the conference championship. The Wonder Boys meet Ozarks Saturday in their last game of the season.

Southern State, which beat Hendrix 30-6 last week, takes on Arkansas A&M in Magnolia. Henderson beat Harding Saturday night 29-0. A&M beat Ozarks 20-7 and State Teachers beat Austin College of Texas 39-20.

A&M scored twice in the fourth quarter to pull out its victory over Ozarks. It had been 7-7 since the first quarter.

Austin's Charley Miller was the individual star against Teachers. He hit 18 of 27 passes for 274 yards. Quarterback Jim Faulkner got 106 yards for ASTC.

Henderson used four breaks for its touchdowns against Harding, including a bad snap from center on a punt.

Unitas Comes Through With Winning Pass

By MIKE RATHET

Associated Press Sports Writer

The amazing saga being indelibly etched into National Football League annals by Baltimore quarterback Johnny Unitas today had another stirring chapter.

Blood streaming down his face from gouges on the nose, lips and eyebrows, jaunty Johnny whipped a 39-yard touchdown strike to Lenny Moore with 42 seconds left Sunday as the Colts edged the Chicago Bears 24-20 and retained their hold on first place in the Western Division.

Unitas, a poised 27-year-old veteran of five pro campaigns, had one of his finest moments in the key clash that kept the two-time NFL champions a half-game in front of Green Bay.

Constantly hounded by a rough and rugged Chicago defense, Unitas marched the Colts goalward with the Bears leading 20-17 and time running out. With 1:20 remaining, the drive had reached the 3, but Unitas was smashed to the ground while attempting to pass.

He rose with blood dripping from multiple cuts. After he was again spilled, Unitas went to the sidelines on a time out to have the crimson smears wiped from his face. Back he came with the clock showing 42 seconds to go and Baltimore faced with a fourth and 14 situation.

Unitas took the snap, faded, pumped twice and then threw an aerial that Moore caught in the far corner of the end zone after eluding defender J. C. Caroline.

While the Colts had to battle for a last-minute triumph, the Packers kept pace with an easy 41-7 pasting of winless Dallas. Philadelphia kept its edge over New York in the Eastern Division race by beating Washington 19-13 while the Giants nipped Pittsburgh 27-24.

Cleveland stayed close in the East with a 28-27 victory over St. Louis and Detroit defeated Los Angeles 12-10. San Francisco had a bye.

Unitas, who previously had tossed a 30-yard scoring pass to Moore in the see-saw struggle with the Bears (3-3-1), said he was hit cleanly by Bear end Doug Atkins on the play that bloodied his face. "He got me with his shoulder and forearm," said Unitas. "It was a clean hit."

Two one-yard TD smashes by Rick Casares kept the Bears in front until Unitas unleashed his first scoring pitch to Moore for a 17-14 halftime edge.

Jim Taylor ran 28, 4 and 23 yards for touchdowns and Paul Hornung scored 17 points on a 41-yard scoring plunge, a pair of 21-yard field goals and five conversions in the Green Bay (5-2) rout of the Cowboys (0-8).

Green Bay plays Los Angeles this Sunday and has a chance to tie the Colts, who drew a bye, for the Western lead.

The Eagles, who tackle the Giants the next two weeks in showdown clashes that may decide the Eastern champion, came from behind to beat the Redskins

Missouri Has Chance for No. 1 Position

By JACK CLARY

Associated Press Sports Writer

What's ahead for these surprise Missouri Tigers?

Maybe top national ranking, the Big Eight championship, the Orange Bowl, a perfect season—or disaster this week at the hands of the Kansas Jayhawks.

Each is a possibility and the way heads are rolling among the top teams lately, the latter could almost be labeled a probability.

Latest case in point: Minnesota's 23-14 loss to Purdue Saturday after its amazing football resurgence earned it the top spot a week ago in The Associated Press poll and had everyone talking Big Ten title, Rose Bowl, undefeated season and national championship.

Now Missouri, which soundly laced Oklahoma 41-19 over the weekend, faces a similar situation. With the Tigers it is an all-or-nothing proposition. Currently ranked second with an 8-0 record, they seem almost certain to be the No. 1 team in this week's poll.

Kansas, which ironically has lost its only games to teams ranked No. 1 at the time (Syracuse and Iowa), is banned from post-season play by the NCAA. But the Jayhawks, which walked Colorado 34-6 Saturday, have a 5-0-1 Big Eight record compared to Missouri's 6-0. To the winner go the conference spoils, and Mizou also gets a choice bowl spot, probably the Orange Bowl.

Minnesota, while wounded, is not yet dead. The Gophers can still get a piece of the Big Ten title—and perhaps the nod to go to the Rose Bowl—by beating Wisconsin this week. Iowa ranked fifth is assured of part of the conference crown after it demolished Ohio State (No. 3) 35-12.

Iowa winds up its 1960 campaign this week against outsider Notre Dame (1-7). A Minnesota victory would match Iowa's 5-1 conference mark. But the Gophers 27-10 win a week ago over Iowa puts them in the fore if any bowl possibilities raise.

If the Rose Bowl is the place for the Gophers, then they can look forward to meeting Washington, which clinched its second straight Big Five title by beating Calif.

(14-2) in the final quarter on a 28-yard pass from Norm Van Brocklin to Bobby Walston.

Pat Summerall booted a 37-yard field goal with 30 seconds left for the Giants (5-1-1) uphill triumph over the Steelers (2-1) after his 42-yard three-pointer and a 27-yard Charley Conerly to Frank Gifford touchdown pass had brought New York within range.

Bobby Layne triggered the Pittsburgh offensive with a 17-yard scoring play to Buddy Dial, a one-yard TD plunge and a field goal.

Jimmy Brown bucked short yardage for two touchdowns and picked up 173 yards in 28 carries while Milt Plum passed for two scores in the Browns (5-2) win against the Cards (4-4).

Jim Martin's 13-yard field goal proved the winning margin for the Lions (3-4), who broke a 3-3 tie with the Rams (2-1) in the third period on a 98-yard drive engineered by quarterback Jim Ninkowski.

There is unfinished business elsewhere this weekend. Yale can cap the Ivy League crown and its unbeaten season since 1910 by beating Harvard. The Elis crushed Princeton's title hopes with a 43-22 drubbing to run their record to 8-0, and 6-0 in the Ivy.

Utah State, 9-0 over-all and 6-0 in the Skyline Conference, can win the title by beating second-place Utah, 6-1 in league play. State easily handled College of the Pacific 45-6.

New Mexico State (8-0) can gain at least a tie for the Border title if it whips Hardin-Simmons after beating West Texas State 35-15.

Ohio University, the nation's top-ranked small college team at 9-0, nailed down the Mid-American Conference by whipping previously unbeaten Bowling Green 14-7 while Virginia Military won the Southern Conference with its 20-6 triumph over the Citadel.

Plenty Deer as Season Opens

LITTLE ROCK (AP) — The first week of a split deer hunting season opened today with the outlook for good hunting.

"There are plenty of deer," said C. G. Albright, Arkansas Game and Fish Commission publicist. "We look for good shooting."

The first half of the split season ends Saturday. The second half will be Dec. 12-17.

Good hunting weather is forecast for the first week. Bad weather last year cut the take of deer.

The bag limit again is one buck per hunter, except in Crittendon County where does may be taken. Hunters this year are to tag their own kills.

Also very much alive in the Southeastern Conference is Mississippi, fourth-ranked a week ago. Ole Miss soundly laced Tennessee 24-3 and can clinch the SEC title and a spot to defend its Sugar Bowl title by beating Mississippi State this weekend.

Also ready to go a-bowling with perhaps one exception, are the other four teams in the select top ten. The exception is eighth-ranked Navy, which must beat Army Nov. 26 before it is free to accept any postseason bids. The Middles (8-1) ran Virginia's losing string to 25 with a 41-6 victory.

Duke (No. 7), which clinched at least a tie for the Atlantic Coast Conference title by beating Wake Forest 24-7, is prominently mentioned for the other spots in the Orange Bowl. The Blue Devils play traditional rival North Carolina Saturday to wind up conference play and a win, or loss by second-place N. C. State, gets the title.

Arkansas (No. 9), needs only to beat Texas Tech this weekend to nail down at least part of the Southwest Conference crown. The Razorbacks have a 5-1 mark after beating winless Southern Methodist 26-3. Second-place Rice must beat Texas Christian this week, then Baylor if it hopes to gain a tie for conference honors.

Auburn, ranked tenth, once more relied on Ed Dyer's trusty toe for three field goals in a 9-6 victory over Georgia. Dyer now has 12 for the season and 26 for his career, both national records.

Auburn and Florida (5-1) are tied for second. In the SEC-Florida finished league play with a 21-6 victory over Tulane and received a bid to the Gator Bowl. It will decide after its game with Miami Nov. 26.

There is unfinished business elsewhere this weekend. Yale can cap the Ivy League crown and its unbeaten season since 1910 by beating Harvard. The Elis crushed Princeton's title hopes with a 43-22 drubbing to run their record to 8-0, and 6-0 in the Ivy.

L. A. Bests Houston to Keep Lead

By WHITNEY MARTIN

Associated Press Sports Writer

The Los Angeles Chargers, leading the Western Division in the American Football League, solidified their hold on the top spot by beating Houston's Eastern pace-setters in a game that may be replayed for the circuit's championship later in the season.

The Chargers boosted their record to 6-3—the same as the Oilers—by edging Houston 24-21 Sunday for a one-game edge over the runner-up Dallas Texans.

The Texans hopped over Denver into second place by whipping the Broncos 34-7, while Oakland upended the Buffalo Bills 20-7 in the other games on the AFL program.

Charger quarterback Jack Kempe hit end Ralph Anderson in the second quarter to send the Chargers into a 14-0 lead, and they never relinquished it despite some passing heroics by George Blanda.

Halfback Tony Terao raced 88 yards for a touchdown on the last play of the third quarter to give Oakland a 20-0 lead. Buffalo's lone touchdown came with only 13 seconds left to play.

Billy Post crashed over from the one in the first period for Oakland's first score, and Larry Barnes accounted for the other Oakland points with two field goals and two conversions.

Favorable breaks, the ledgerbook of Abner Haynes and the passing and running of Cotton Davidson, Curley Johnson, B. Dickson and Johnny Robinson were too much for Denver as the Broncos lost a wacky game from the losers.

Al Carmichael, their right halfback, suffered a broken left leg and will be lost for the season. Haynes was in the middle of everything, putting on key blocks, catching long passes and fumbling. David Webster intercepted a pass and ran 39 yards for a touchdown. Haynes raced seven for another, Johnson scored on a 6-yard pass and Robinson ran four yards for another touchdown.

Jack Spikes kicked two field goals and four extra points as his contribution.

Denver took a 7-0 lead in the first quarter, with Dave Rolfe scoring on a one-yard blast, clinching a 4-yard drive, but that was all it could do.

The networks involved are the American Broadcasting Co., National Broadcasting Co., Columbia Broadcasting System and Mutual (radio) Broadcasting System.

Contracts between the networks and the American Federation of Television and Radio Artists expire at midnight Tuesday. About 16,000 union members are involved.

A major demand of the union is for a new formula under which fees are paid to performers who work in commercials known as "wild spots." These are taped for use on individual stations. A network source and a union spokesman said the fee increase sought would be 300 per cent in some cases.

The union is seeking a 10 per cent increase in performer fees, higher payments to performers for reruns of commercials and other benefits.

Announcement of the winners will come early next year, William Collins, president of the National Municipal League, said.

TV Networks and Union Talk Terms

NEW YORK (AP)—Representatives of a performers union and the four major television and radio networks resume negotiations today seeking to reach agreement on a new contract before Tuesday midnight's deadline.

Navy, Duke Cotton Bowl Favorites

By HAROLD V. RATLIFF

Associated Press Sports Writer

Dallas (AP) More than the usual uncertainty cloaks the Cotton Bowl this week but one thing is likely to be definitely established is that the game will not be an Arkansas-Mississippi rematch.

If Arkansas beats Texas Tech Saturday, and it is an easy favorite to do it, Arkansas will be host team in the Cotton Bowl. It would get the spot whether it won the Southwest Conference championship or was tied for it by Rice since Arkansas beat Rice during the regular season.

But if Arkansas is in the Cotton Bowl, Mississippi undoubtedly would be dropped as a prospect, but it has been indicated in several important places that such would be the case.

That would leave six teams still in the running for the Jan. 2 bowl game — Navy, Duke, Alabama, Florida, Tennessee and Pittsburgh. Navy and Duke are considered the leaders although the Cotton Bowl has been wondering if it should wait for those teams to finish the schedule or take somebody else right now.

Navy (8-1) can't give a decision until it plays Army Nov. 26. Duke (7-1) still has North Carolina and UCLA to play.

Florida, with a 7-2 record, has only Miami left; Alabama, 6-1, has Tampa and Auburn. Pitt, 4-2-3, has Penn State next Saturday, and Tennessee, 5-2-1, winds up with Kentucky and Vanderbilt in two weeks.

The Cotton Bowl selection committee will meet some time this week to decide whether to take immediate action or wait until all the prospects have finished the season. Chairman Jack Loye thinks the chances are that they will wait.

After Saturday there might be a different situation anyway. Should Arkansas falter and Rice win the conference championship, Mississippi would again be in the picture since the Owls haven't played the Rebels. But that might eliminate Florida as a prospect since Rice beat that team 10-0.

Union Head Won't Ask Re-election

LITTLE ROCK (AP) — The president of the Arkansas AFL-CIO, Wayne E. Glenn, will not seek re-election at the union's convention beginning here today.

Glenn, 36, said Sunday he would leave the post he has held since November of 1958 to devote full time to his position as representative of the International Brotherhood of Pulp Sulphite and Papermill Workers.

Glenn said he would ask the convention to make the presidency a full-time paid office.

He said he also would propose combining the offices of executive secretary and treasurer, now separate paid positions.

Sen. Vance Hartke, D-Ind., will address a dinner meeting Tuesday night.

The Arkansas council is composed of nine Protestant denominations. The national council has 38 member denominations.

During the recent national political campaign he headed a bipartisan committee for fair campaign.
